

HIA members save on rising fuel costs with the Caltex Card

HIA and Caltex have partnered to offer you great deals on rising fuel costs with Caltex Cards.

A Caltex Card provides everyday discounts plus simplifies your paperwork!

A Caltex Card can provide your business with everyday discounts at the pump and at the end of the month Caltex does the paperwork for you!

All your fuel purchases are recorded on a single easy-to-read statement, making GST hassle-free. Your nominated bank account is then debited on the 21st of each month, for the previous months transactions.

As an HIA member you will receive discounts at over 1800 Caltex, Caltex Woolworths, Caltex Safeway, Ampol and Bogas outlets across Australia.

Caltex offers a range of options to suit your business needs.

Each card can be managed differently. You control what type of purchases each card is able to make, for example:

StarCard: Fuel and oil purchases only or

StarFleet Card: In addition to fuel and oil, can be used to pay for motor vehicle repairs, accessories and other purchases at Caltex Service Stations.

The StarFleet is also recognised at Marshall's Batteries, Bearepaire, Windscreens O'Brien, Bob Jane T-Marts and most leading vehicle dealerships.
