INFORMATION SHEET

HIA Apprentices News Update

HIA Apprentices has done well again this year, however we are currently short of Carpentry and Joinery apprentices for 1st – 4th year.

If you are planning for next year please contact HIA Apprentices now to discuss your needs for Jan / Feb 2012.

From October to December 2011 we are interviewing and recruiting year 12 students to start either after exams (10 November 2011) or after the break in Jan / Feb 2012.

Please note that TAFE enrolments start 25 January 2012, and apprentices allocated to a host will have preferential enrolment.

If you or your family know of any apprentices looking at the building trades please provide us with their details so we can assist them in the apprenticeship area.

HIA plays an important role in managing large numbers of apprentices. Our hosts enjoy the support they get from our team of administration staff and field officers.

For further information please contact HIA Apprentices by email:
[NSW Apprentices@hia.com.au](mailto:NSW_Apprentices@hia.com.au) or phone: 02-9978 3333.
