Best in the Business Recognised at 2011 HIA CSR NSW Housing Awards

The 2011 HIA CSR NSW Housing Awards which recognise the State's talent of builders and building companies in the housing industry once again proved to be a successful evening.

Everyday Homes Pty Ltd took out the coveted HIA CSR NSW Home of the Year. The award winning home, at Sandy Point, also won the Custom Built Home of the Year, the Custom Built Home Under \$2 Million, Bathroom of the Year and Large Bathroom Over 5 sqm categories earlier in the evening.

Panache Kitchens had a triumphant night picking up 4 titles. Awards included Kitchen of the Year, Large Kitchen Over 18 sqm, Cabinetmaker/Kitchen Manufacturer and Kitchen Design of the Year.

Other companies that were celebrating with 2 awards each for their projects included Mitch Elliott Carpentry, McDonald Jones Homes, Cape Cod Australia Pty Ltd, Hammerhead Building Projects and Art of Kitchens.

Congratulating all the winners on such an outstanding achievement, HIA's NSW Executive Director, David Bare, said the awards were a tremendous display of the housing industry's capacity, innovation and resilience in tough times.

"It is encouraging to see that in challenging market conditions HIA's builders and designers have maintained their commitment to excellence. The high standard of entries shows that support for these awards has yet again been remarkable. Each year the bar is raised higher making the judging process all the more difficult."

"Major winners tonight can look forward to progressing to HIA's national awards next year and we wish them every success."

The awards were held in front of a sell-out black-tie audience at the Sydney Convention Centre. Special guests included Minister for Planning and Infrastructure Hon Brad Hazzard; Hon Matthew Mason-Cox (representing the Premier); Brian Doherty, General Manager NSW, CSR Bricks and Roofing and HIA's NSW President, Martin Walsh.

This year's theme was A Night in Paris. Guests were entertained by the dazzling Nikki Bennett Moulin Rouge Show. MC for the evening was Karl Stefanovic, Australian Gold Logie Award winner and co-host of Channel Nine's breakfast show, Today.

The Association's showcase awards night recognise excellence in housing innovation, material selection, design, construction and services to the NSW residential building industry.

Housing Industry Association (HIA) is the leading industry association in the Australian residential building sector, supporting the businesses and interests of builders, contractors, manufacturers, suppliers, building professionals and business partners.
