INFORMATION SHEET

Hire an Apprentice and get \$3350 credit

The Government's Kickstart incentive begins on 1/12/12 and runs through to 28/2/13.

All you have to do is hire an Apprentice from HIA Apprentices and we will credit your Apprentice invoice account with \$850 after 6 months and then \$2500 after 12 months.

\$3350 over the first 12 months will assist you in your business and provide opportunities for young apprentices to avail themselves of qualified tradespeople to train them in their trade.

You gain \$3350 and a good apprentice to train, making two positive boosts to your business for 2013.

Please contact us by phone on 02 9978 3370 or email HIA_Apprentices@hia.com.au
