INFORMATION SHEET

NSW Home Building Act Review

Fair Trading is reviewing the *NSW Home Building Act 1989*.

We are inviting builders, tradespeople, and others with an interest in the home building industry to comment on any aspect of the legislation, including:

- home building contracts
- statutory warranties
- dispute resolutions
- home warranty insurance
- owner-builder permits

To lodge your comment and help us improve the legislation go to the 'Have your say' page on the Fair Trading website at http://www.fairtrading.nsw.gov.au/About_us/Have_your_say.html. There you will be able to download a discussion paper, fill out a questionnaire or make a formal submission.

Comments on the Home Building Act close on 18 August 2012.

DISCLAIMER - The above is intended to provide general information in summary form. The contents do not constitute specific advice and should not be relied upon as such. Formal specific advice should be sought by members with respect to particular matters before taking action.
