Did you know safety laws have changed?

Changes to work, health and safety laws came into effect on 1 January this year. Get information about the changes and how they will affect you.

Bushfire Regulations

What is the process in NSW and where do I find the information? Lew Short from NSW Rural Fire Service will present on this topic and will be able to answer any questions - Springwood only.

BASIX Upgrade

What are the proposed changes for the upgrade and what are the likely effects on residential building in NSW.

Update on BCA 2012

With the launch on May 1st what are the significant changes and how does compliance affect builders.

Alternative Wall Systems

There are a number of emerging new technologies in residential wall systems. What are these and how are they being used.

Understanding the DA process

Understanding the development approval process in NSW. This session covers DA documentation, ways to amend your plans after DA lodgement, how to seek a review of a determination, complying with conditions of consent and much more.

HIA Safety Services

What recent accidental falls have occurred in NSW. Are you complying with current WHS legislation? How to manage Subcontractors regarding WH&S! Group Activity: Hazard ID/Risk Assessment

WorkCover NSW

WorkCover NSW will be covering the following topics

- Falls from heights
- Falls from ladders
- Falls from open penetrations and stair well voids
