INFORMATION SHEET

Work Health & Safety (WH&S) Laws 2011 NSW

Compliance with Work Health & Safety (WH&S) Laws 2011 NSW needs to be fully implemented by builders and subcontractors by December 2012.

Have you considered the impact on your business and what action you need to take to be compliant with these laws?

Information regarding the WH&S Regulations and Legislation 2011 NSW can be sourced from NSW WorkCover Authority website www.workcover.nsw.gov.au.

If you need help or advice in meeting compliance, or have any safety concerns, please contact HIA Safety Services on 9978 3333.

DISCLAIMER - The above is intended to provide general information in summary form. The contents do not constitute specific advice and should not be relied upon as such. Formal specific advice should be sought by members with respect to particular matters before taking action.
