## LUNCH IS ON US!

Dear Member,

Our mission at HIA includes a promise to 'provide services which enhances our members' business practices, products and profitability'.

With this in mind, HIA has entered into discussions with a financial services institution offering a product called 'Invoice Select', which allows small businesses to factor their invoices to improve cash flow and profitability.

Before we enter into a formal agreement with this company, we want to make sure that this is a product which would bring benefit to our members' businesses, and invite you to a free luncheon where the concept will be explained and feedback sought from the attendees.

**Bookings essential**
